I have been actively involved as an elected official in securing funding for libraries, historical societies, humane society etc. I am a past board member of the United Way, American Cancer Society and am very active in my church. I am current member of the Lion's Club. I have been awarded the Paul Harris Fellow from the Rotary Club.

What is your position on the following tax issues that affect charitable nonprofits:

Do you support preserving state and local sales and real-estate tax exemptions for charitable nonprofits? Support

Do you believe that nonprofits should be required to provide Payments in Lieu of Taxes (PILOTS) or Services in Lieu of Taxes (SILOTS)? No

Would you support additional state tax revenues dedicated to fund nonprofits providing contracted government health and human services? Yes

Additional comments about tax policies that affect nonprofits:

Nonprofits provide more than 720,000 jobs in Pennsylvania (15% of the state's workforce). What policies would you propose to promote continued job growth for private employers, including both nonprofit and for-profit business?

No comment

Would you favor legislation that would reduce the likelihood of a budget impasse in future years? If so, what type of legislation?

Yes. I am a strong supporter of no budget, no pay for legislators.

Would you support regulatory changes that increase efficiencies and nonprofit-government partnerships. (Proposed regulatory changes could include reducing redundancies across state agencies - e.g. common pre-award processes, budget templates, use of a single audit, reporting template and central depository vault)?

Yes

If elected, what would be your top three policy priorities?

1. Expansion of broadband for all.

2. Job creation
3. Education
