Peer Reviewer Application

Pennsylvania Association of Nonprofit Organizations' Standards for Excellence® Voluntary Self-Regulation Program

Peer Reviewers are an essential part of the Standards for Excellence self-regulatory program. Three-member teams of Peer Reviewers review Standards for Excellence application packages and evaluate for compliance with the Standards. A peer review process was selected to ensure fair evaluation of application packages, with representation of diverse opinions and expertise in the field. Applications to serve as Peer Reviewers may be accepted at any time. Thank you for applying to fulfill this important role in the Standards for Excellence Program.
